

## Faith - Family - Future

**Dr. Richard Bishop, Pastor**  
**Dr. Ingrid Bishop, Executive Pastor**

We thank God for the opportunity to impart the principles of God's word into the lives of young people as we provide quality education to our students. We also recognize the mandate of God to minister to the total man as we offer a number of ministries. Come worship with us each Sunday at 8:00a.m. & 10:45a.m. for an uplifting impartation of the word of God.

### **Agape' Christian Academy**

Agape' Christian Academy believes that the home, church and school, all play a vital role in meeting the total needs of the child.

Agape' Christian Academy's responsibility is to reinforce the Christian principles taught by the home and the church. Agape' Christian Academy wants to provide a school that offers an environment and curriculum conducive to effective teaching and learning. Our purpose is to train our student in the nurture and admonition of the Lord and develop minds for the Faith, Family and Future.

### **Who Is A candidate for the Educational Programs**

- Any student that meets the academic grade level minimum requirements.
- Placement is based on entry exam test scores.
- As a student progresses academically they will be streamlined into the proper grade level.
- Agape' has a zero tolerance for unbecoming ways!

### **Alpha Omega Program**

The Alpha Omega Program is an exciting program designed to motivate students to learn at their level. Helping students to perfect skills which caused them some difficulties in the past. The Alpha Omega Program utilizes a modified curriculum to help successfully raise their academic achievements. This program also consist of committed teachers, counselors and educational therapists.

### **Above Average to Honor Program**

Our Above average and honor students will use the ABEKA Curriculum. The ABEKA curriculum is an accelerated program that keeps student's performance at their proper grade level by performing above average in all basic subjects.

Students that perform at the average level will be challenged to perform at a higher level.

### **Agape' Christian Academy Pre-School**

The Agape Christian Pre-school is designed to capture the minds of children through a creative teaching environment utilizing the ABEKA Curriculum. Our teachers are all qualified and certified in the area of early childhood development. We also offer before and after school care, school lunch program and 4-C is welcome.

*Agape's Christian Academy offers  
Summer School & Summer Camp Programs*

## *Agape Christian Academy*

### **Dual Enrollment Program**

Agape' Christian Academy offers onsite college preparatory classes in ALL major subjects. Our Dual Enrolment program is a partnership with Valencia Community College.

### **Agape' Christian Academy Competitive Sports Program**

Agape Christian Academy offers a very fine athletic program where we instill the values of competing in competitive sports as well as in life endeavors.

The heart and soul of our success is based on 1) Confidence; 2) Courage; 3) Correction; and 4) Commitment with Christ in the forefront.

We compete in boys & girls basketball, football, baseball, girl's softball, boys & girls track etc. Agape' Christian Academy is the home of the "Florida Christian Conference '2005-06' State Champions in Basketball".

### **Agape Educational Development Program (AEDP)**

The Agape Educational Development Program is an extension of our Alpha Omega Program. This program was designed with the student's best interest in mind by catering to children with educational challenges. It will start at a child's lowest point and we will modify a program for each individual child. Each student will have an "Individual Assessment Plan" tailored to their individual needs. This is an intensified counseling, tutoring, and educational program. The program has been an effective tool in developing John McKay scholarship students.

### **Einstein**

The Einstein Program recognizes the need to challenge students academically by raising the academic standards. It is a highly accelerated educational program that does not allow students that progress above average to be held back academically. Students may be promoted based upon their testing and academic performance.
